Testimony

- I have been able to encourage and strengthen preachers who are being persecuted in their ministry because of the trial I encountered in August when I was falsely accused. God brought me through this situation that could have destroyed my ministry and my testimony. I am also able to give testimony of how God protected me from people who wanted to take my life because I helped the girl whose father was trying to sell her for trafficking. I encourage them, that God will help them in their time of need as well. I share with them that God is wonderful, and we can see Him do miracles when we trust in Him.
